

## BEAR ROOM NEWS

Dear Families,

Thank you for your donations of school supplies to our classroom. The school supplies will help our students to work towards meeting their education goals and objectives.

As a part of our school day, we spend 30 minutes of outside play each school day. For your child's comfort, you may send a labeled, reusable bottle with water for school use. We will return the bottle at the end of each school day.

Reminder: No School on Monday, September 3, 2018 due to Labor Day.

Ocotillo Learning Center Open House will be held on September 12, 2018 from 4:00 to 5:30. We will provide an overview of Ocotillo's School curriculum. Come and see what your child is learning at school.
